Where children learn & grow in
their world!

Child's World Preschool is a ministry of St. Paul U.C.C. Our curriculum includes academics and also fosters the children's spiritual growth as well. Some areas covered include alphabet and number recognition, color and shape recognition, art, Biblical stories and songs, lending library, fine and gross motor skills, music and finger plays, Spanish, early literacy skills, and field trips.

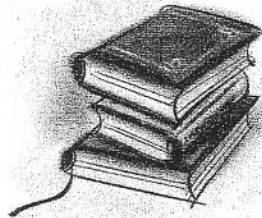

When the weather is nice, we take the children outside to our fenced in playground. During inclement weather, we have a spacious gym where the children can play with balls, ride tricycles or scooters, and play group games.

Snow Days

Please remember that if Waterloo School District #5 is closed because of bad weather, we will also be closed. If you are unsure if we are having school, please feel free to call the pre-school office at 939-7125, ext. 16 or you can call us at home. Our numbers are:

Mrs. Kurtz 939-3616

Ms. Mueller 939-6867.

Lending Library

Please remember to return your library books when you are finished reading them so other children may have a chance to read the books as well. Thank you, Julie Blanchfield for doing such a great job with our Lending Library.

Sick Policy

Please remember to keep your child home when they have an infectious, contagious, or communicable disease, or if they have diarrhea, vomiting, or a fever of a 100 degrees or higher. We want to offer all the children and teachers a healthy atmosphere at school so children must be fever free for a period of 24 hours before they are allowed to return to school. Thank you for your cooperation.
